VISION

To be the global furniture manufacturing company most admired for its people, partnership and performance.

VALUES

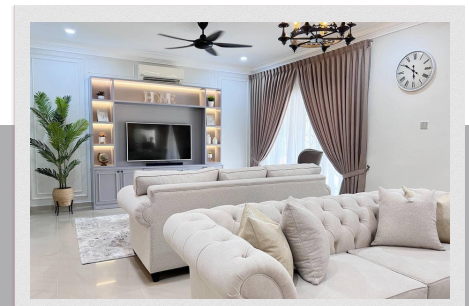

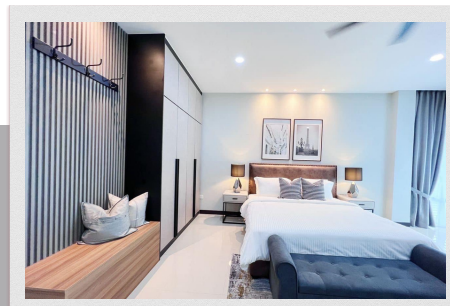

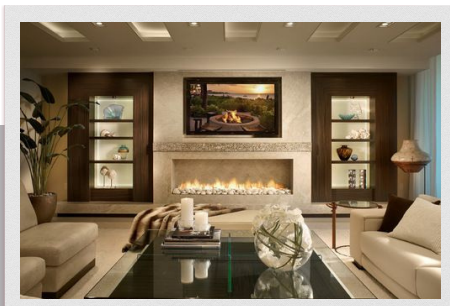

Optimist – We are optimist in achieving our goal. We make sure our people and organization understand clearly the company vision and mission, and we hold same values, same goal together to climb every step towards our goal. We are passionate about achieving results that exceed expectations of our own and those of others

Rational – We are rational and committed to excellence in everything we do, and we strive to continually improve. We drive to deliver world-class performance

Loyalty – We have an unwavering commitment to being a loyal partner focused on building productive, collaborative, trusting and beneficial relationships with governments, other companies, our customers, our communities and each other. We create loyalty throughout trust. We trust, respect and support each other, and we strive to earn the trust of our colleagues and partners.

Integrity – We are honest with others and ourselves. We meet the highest ethical standards in all business dealings. Do reliable on us. We accept responsibility and hold ourselves accountable for our work and our actions.

Noble – We do respect our people
